## About the Florida Brain Tumor Association

[www.fbta.info](http://www.fbta.info)

The FBTA is a major force in the brain tumor community. They have hosted many 3 day conferences & seminars since it's inception in 1991. Boasting five brain tumor support groups in Florida, all are professionally facilitated & free of charge. These groups offer a sense of community, a positive up-lifting, safe place to share knowledge & hope with others who are walking down their path. The FBTA is a non-profit 501 ©3 organization that is supported by contributions from individuals, corporations & foundations.

## Our Mission

- To provide hope, support and education to brain tumor survivors and their families.
- To conquer brain tumors by funding research into their causes and cures.
- To enrich the quality of life of those touched by brain tumor disease.

## About Moffitt

Moffitt is internationally recognized for its focus on patient care and translational research. As a National Cancer Institute Comprehensive Cancer Center, Moffitt members work tirelessly in the areas of patient care, research and education to continually advance the fight against cancer.
